INFORMATION DISCLOSURE STATEMENT

August 17, 2006

U.S. Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Further to the Information Disclosure Statement (IDS) filed December 6, 2004, attached is Form PTO-1449 listing the U.S. patent and enclosed documents. A copy of the Supplementary Search Report for the related application EP 03757480.3 is also enclosed. The Society for Neuroscience held its 31st meeting on November 10-15, 2001 and its 32nd meeting on November 2-7, 2002.

This IDS is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully. In particular, if any of the listed documents are missing or incomplete, please contact the undersigned who will provide another copy.

As provided by 37 CFR §§ 1.97(g) and (h), no inference should be made that this information and the listed references are prior art merely because they have been

ZLOKOVIC – Appln. No. 10/516,729

submitted for consideration. Furthermore, no representation is being made that a search has been conducted or that this statement encompasses all possible material information.

Consideration of the foregoing and enclosures, as well as the return of a copy of the Form PTO-1449 with the Examiner's initials per M.P.E.P. § 609, are earnestly solicited. The Examiner is invited to contact the undersigned if any further information is needed.

Respectfully submitted,

NIXON & VANDERHYE P.C.
